"Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6

REVIEW THE SERMON

Go around the room and have several people share an entry from their journal reflecting on a reading from Scripture this week. *(keep it to 5 minutes a person max. Simply read the entry and allow others to respond)*

What point or truth from the sermon stuck out most or impacted you this week?

Read Proverbs 22:6. From your notes, what are the various aspects of training a child in wisdom?

What does it mean "The context matters"?

ASSESS YOUR LIFE

How have you struggled with the conflict of priorities between God's values and our culture's values in raising children? (sermon, point #1)

Which aspect of training in wisdom do you find the most challenging/difficult? (sermon point #3) Why?

APPLY THE TRUTH

Whatever your children's ages... what patterns or habits of your life need attention so that you can be an example of wise living and loving Jesus?

COMMIT THIS WEEK

Make a prayer page in the back of your journal or Bible.

List the names of the children and grandchildren of your group members and pray for them!

Continue reading one chapter of Scripture/day and writing what you are learning in a journal. Come next week prepared to share a journal entry.
