REVIEW THE SERMON

Go around the room and have several people share an entry from their journal reflecting on a reading from Scripture this week. *(keep it to 5 minutes a person max. Simply read the entry and allow others to respond)*

Read Psalm 8

When amazing things happen in nature, what three responses do we see in the text?

1. Look _____
2. Look _____
3. Speak _____

What point or truth from the sermon/texts stuck out most?

How would you explain the delicate balance in our universe in light of Colossians 1:16-17?

ASSESS YOUR LIFE

Where are you on the spectrum of belief in regards to creation?

1	2	3	4	5
Our world evolved over billions of years with no creative power		God created the world from nothing but shaped it over billions of years		God created the world from nothing in 6 days about 6,000-8,000 years ago.

APPLY THE TRUTH

What are some practical ways you can "look up" and create space in your life to consider and reflect on God's revelation through creation?

COMMIT THIS WEEK

Look for three opportunities this week to observe something in creation and declare the glory of God you see in it to another person.

Continue reading one chapter of Scripture/day and writing what you are learning in a journal. Come next week prepared to share a journal entry.
